**Safety Contract**

Name (Last) \_\_\_\_\_ (First) \_\_\_\_\_

I have read and understand the safety sheet provided by Ms. Barker that describes lab safety guidelines. I have asked questions about any section that is unclear to me.

I agree to behave in a way that always promotes a safe laboratory environment for me and my classmates. I agree to use chemicals and to clean them up in a way that protects me, my classmates, and my environment.

I agree to wear safety goggles at all times during chemistry laboratory experiments and whenever my teacher thinks it is appropriate.

Failure to uphold the requirements of this contract will result in removal from the lab setting and the loss of credit for the lab in question. Further disciplinary actions may be enforced at the discretion of Ms. Barker.
